HARMONY

Committees Get Together and Good Work Accomplished

A meeting was held the first of the week between members of the Ministerial Association of Glendale and members of the Knights of Columbus of Glendale. The meeting was held in reference to the holding of the graduation exercises of the High School, and also about the Methodist Church of Glendale being taxed by the County Assessor. The Board of Trustees of the High School were also present.

The meeting adopted the following resolution:

"We view the action of the trustees of the First Methodist Church of Glendale in granting the use of their church bulding for commencement purposes at the request of the Board of Trustees of Glendale Union High School, as an act of great public service and an act which this committee greatly appreciates.

"And the proposed change in holding said commencement exercises from said church to the Palace Grand Theatre was the unanimous recommendation of the joint committee whose names appear below believing that said change would promote the best spirit of harmony and good will in the entire school district.

"Representatives of these two committees requested a special meeting of the Trustees of Glendale Union High School, which meeting was called on Monday, May 26th, at which the recommendation of the special committee was unanimously adopted.

"The committee desies to take this opportunity of thanking the Trustees of Glendale Union High School for their action in this matter.

"As a committee we feel that there was no just ground for levying an assessment for taxes against the First Methodist Church of Glendale. We sincerely regret that action to that end was taken, and we will do what in our power lies to have said assessment set aside, thus relieving the trustees of said church from any embarrassment occasioned thereby."

THE RED CROSS MEETING

The meeting held Wednesday evening in the K. P. Hall, which served as a final demobilization of the Red Cross, as well as a welcome home to the soldier boys, was most successful in every particular.

The program was as follows:

March. Salutation of Flag.

America. Accompaniment, Mrs. Crawford.

Treasurer's Report.

Address, Mrs. Kemper Campbell.

Sclo, Mrs. Peckham, accompaniment, Mrs. Katherine Ripley.

Dance Scottish, Mis Devina Wood. Accompaniment, Miss Bessie Wood.

Reading, child dialect, Mrs. Eunice Benton Moore.

A Gypsy Dance, Miss Dorothy Patterson.

A Wild Rose, Miss Lois Naudain.

On to Victory, Miss Edith Lindsay.

Star Spangled Banner, led by Mrs. Peckham and Mr. William Marple, accompaniment by Mrs. Crawford.

Dancing and refreshments then followed.

The orchestra consisted of Mr. Ed. Moniot, L. Goddard, Mrs. Crawford, Irene Ward, and Gladys Goddard.

NEW P. O. QUARTERS

The clerks and carriers serving Greater Glendale and adjacent territory are moving this week into their new home, consisting of enlarged and remodeled quarters, which has been made possible by the addition of the entire room on the north.

The old building has been inadequate for some time, and the conditions under which the postal force had to work were, to say the least, not conducive to good service. All this has been changed by the new arrangement, and the boys can move around at ease and with comfort.

A swing room has been provided for the employees' use when off duty.

The building is well lighted, and with ample floor space.

Receiving and dispatching mail is now made through large doors in the north room, thus doing away with crowding the lobby.

This is the Glendale Branch of the Los Angeles Post Office, and is under the efficient management of Geo. Hallet, Superintendent.

Postmaster Brown is to be commended for sending us the best post office man he had, as is shown by Mr. Hallet's work during the short time he has been here.

Miss Marjorie Wallace is visiting at Victorville.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees met Thursday evening at 8 o'clock. All members were present. The minutes of the last regular meeting were read and approved.

A representative of the Los Angeles and Santa Paula Daily Express being present, the matter of granting permission to this company to operate trucks over the streets of Glendale was taken up at this time. The gentleman stated that the company operates two trucks, and makes daily trips between Los Angeles and Santa Paula. A motion was made by Truste Henry, seconded by Trustee Jackson, that the company be granted this permission for one year, subject to the rules and regulations of the Board of Trustees. The motion was adopted, all voting aye.

A Mr. Lewis asked permission to install a gasoline tank at the garage at 137 North Maryland. The matter was referred to the City Manager for examination and report at the next meeting.

A communication was read from Miss Frederica Greve, of 1149 East Broadway, replying to certain statements made by E. Coker at the last meeting of the Board of Trustees in regard to complaints against the Crustal Ice Company. She stated that she had previously made complaint to the company of the smoke and noise, and the damage done to her property and to the neighborhood by a certain open ditch and waste water from the ice plant. On motion, this matter was referred to the city manager to investigate and report to the Board.

A petition was presented to the Board, signed by certain property owners and residents of South Mariposa Street, requesting the improvement of that street between Acacia and Windsor Road, according to specifications No. 21. The petition was referred to the City Engineer to check up the frontage represented by the signers of the petition, and report at a later meeting.

Report was read from the City Treasurer and Tax Collector, showing taxes collected since last report of $160. 05. Total for the year is $83,292.05, and including penalties, personal taxes, etc., a total of $85,-627.30. Delinquent taxes for the year, $1,191.35; total delinquencies amount to $4,948.98. The City Treasurer presented to the city tax deeds to two parcels of land sold for taxes five years ago, to which deeds the city is now entitled. Demand was also made for taxes on certain parcels of land sold for taxes and deeded to the city. The matter was referred to the City Attorney to detemine the status of the affair.

The City Manager reported that the owners of three lots south of Windsor Road on the east side of Glendale Avenue had expressed their intention of putting in sidewalks by private contract, in accordance with city specifications.

In acordance with a recommendation of the City Manager, a resolution was adopted providing for the establishing of grades for certain portions of Sycamore Canyon Road, South Mariposa Street, Garfield Avenue, West Maple, West Elk, Oak, West Harvard, and Cherry Streets.

The Engineer of the Public Service Department offered specifications for

If you are anticipating making a trip to Yosemite, you will have to pay a toll of $5,00, so you may as well purchase your ticket before you go, and at the same time become a booster for one of the best highways in the state.

general work and also for certain special work in his department. These were referred to the committee of the whole.

Mr. Irwin, the engineer appointed to assist in the investigation of the situation with regard to the feasibility and expense of installing a municipal telephone system, was present, and reported substantial progress in the work, but stated that about six days more work would be necessary to complete the work. On motion by Trustee Shaw, seconded by Trustee Henry, it was provided that Mr. Irwin be employed at the same rate of compensation for an additional six days to complete this work.

The City Attorney presented a communication from Charles L. Chandler, attorney for the successors of the Newport Company, offering to turn over to the city the management of the water plant in Verdugo Canyon now being operated by them. The City Attorney recommended that this offer be accepted as a step toward a settlement of the differences between the city and residents of the canyon with regard to water rights. On motion of Trustee Shaw, the matter was referred to the Engineer of the Public Service Department to investigate with regard to certain minor details, and to prepare a letter to be sent to the Railroad Commission informing that body of the action of the city in taking over such management.

The City Attorney reported that suit has been brought against the city by one George Lowe to quiet title to a portion of Adams Street now being opened. On motion, the City Attorney was instructed to defend the suit.

The City Manager reported attending a meeting of the Greater Glendale Development Association, at which it was practically the unanimous opinion that the proposed park and memorial project and the calling of an election for the issuance of bonds for same, should be held in abeyance until some settlement is reached with regard to the telephone situation. It was feared that the memorial and park project would not receive proper consideration in the unsettled state of affairs at present. It was the opinion of the meeting, however, that the poposed water improvements should receive consideration at once. A resolution was adopted postponing for the present, further consideration of the park project.

An ordinance, prepared by the City Attorney, was introduced by Trustee Henry, calling a special election for Tuesday, June 17, 1919, to vote on the proposition of issuing bonds for the improvement of the water system.

AT THE PALACE GRAND

Be sure you see "The Pest" at the Palace Grand today, Saturday, May 31. This picture features Mabel Normand, and is her greatest success since "Mickey." It is a cyclone of thrills and a downpour of laughter, and is the story of the triumph of the girl who was always in the way. A matinee, for children and adults, begins at 2:30. Evening shows at 7 and 9 o'clock.

Another great crook melodrama will be shown tomorrow, Priscilla Dean in "The Exquisite Thief." She burned the midnight oil thinking up new ways of ridding the rich of their wealth. On the ame program is a two-reel Mack Sennett Comedy, "The Little Widow." Matinee at 2:30, and evening shows at 7:00 and 9:00.

A most unusual attraction comes on Monday and Tuesday, "The Red Lantern," featuring the great Nazimova. This is the most expensive production ever booked by the Palace Grand, and it is such a great picture that the management has thought it best to bring it here for two days. This wonderful actress takes two parts in the picture, both wonderful characterizations. It is a drama of the white and yellow races, and is a production you will not soon forget. It will be shown here at the regular Palace Grand prices. Matinees both days at 2:30, and evening shows at 7:00 and 9:00.

On Wednesday, June 4, Bert Lytell, star of "The Spender" and "The Lone Wolf," will appear in his latest, "Blackie's Redemption." This is a great story of the underworld, with Lytell in the same kind of part he played in "The Lone Wolf." There will also be a two-reel James Montgomery Flagg comedy. Matinee begins promptly at 2:30, and evening shows at 7:15 and 9:00.

There will be no pictures on Thursday. There will be no matinee, but in the evening, the Glendale Y. M. B. C. will present the Occidental College Glee Club in songs and readings. One performance only, beginning at 8:15. Prices, 25, 35, and 50 cents.

Friday's show will be under the auspices of the Junior class of the Glendale Union High School, and the boys and girls already have the tickets on sale. The attraction is Bryant Washburn, in his latest big picture, "Poor Boob." This is a picture you will enjoy. Matinee, as always, at 2:30, and two evening shows, at 7:15 and 9:00.

For one week from today we are promised a big double bill, Wallace Reid in "The Roaring Road," a story of auto racing, and "The Better 'Ole."

Our Wonderful Language.

A certain merchant died, leaving to his only son the conduct of his extensive business, and great doubt was expressed in some quarters whether the young man possessed the ability to carry out the father's policies. "Well," said one kindly disposed friend, "for my part, I think Henry is very bright and capable. I'm sure he will succeed." "Perhaps you're right," said another friend. "Henry is undoubtedly a clever fellow, but, take it from me, old man, he hasn't got the head to fill his father's shoes."

The Fragrant Weed.

The use of tobacco was first discovered in America when Columbus, in 1492, sent his first party to explore the island of Cuba. It was first observed that these herbs were burned and carried by the natives to perfume themselves. It was later discovered that these herbs were also used for chewing, and later as America was opened up and explored, it was observed that they were smoked in large quantities.

Appreciated Cats.

When Mulai Hafid, sultan of Morocco, succeeded to the sultanate he found the sacred city of Fez infested by rats. Without any loss of time he at once nationalized all the cats of Morocco and issued a command that many thousands of them should be brought into Fez for service. For some time a law has existed in Hongkong making it compulsory to keep cats in every house, the number varying according to the size of the house.

WAR COLLECTION AT ROBERTS & ECHOLS STORE

One of the best window dressers in Gendale is Fred Roberts, of the firm of Roberts & Echols, and he has made an especially good window display of the mementoes brought back by Robert Rowley, who gathered them in Italy. The trophies are mostly of Austrian origin, and some of them date back to the Franco-Prussian War. There are big knives, sabers, and swords, helmets, firearms, and scores of other interesting and gruesome articles.

Optimistic Thought.
Better be the best of a lowly family than the worst of a noble one.

The Pasadena District Convention of the W. F. M. S. was held at the Washington Street Methodist Church, Friday, May 23rd, and was one of great inspiration to every worker present It was a matter of great regret that Mrs. Ferry, superintendent of Children's Work and Mrs. J. L. Hooper, of the Young People's Work, were unable to be present. Mrs Belle T. Anderson made an eloquent address. Dr. W. L. Y. Davis brought a cheering Centenary message—Pasadena District has gone over the top "645,000." The Bargain Counter was attractively presented by Mrs. F. H. Johnson, Superintendent of Special Work. Mrs. F. M. Gulick, Conference Secretary, gave an optimistic greeting. Mrs. Lemon's Crresponding Secretary report was brim full of good tidings from the auxiliaries not able to be present, and those presidents who were there told of so many good things done that enthusiasm ran high. And who present will ever forget the rare treat in the Quiet Hour by Miss Eleanor Miller? A splendid luncheon was served by the ladies at the noon hour. At the afternoon session, the election of officers was held after the devotional exercises. Few changes were made in the list. A paper on tithing was read by Miss Abby Leach. Miss Laura Charnock presented the Gleanings (extension members), in well-chosen words. Mrs. Parmalee, Annuities. Miss Grace Barstow, of S. A., gave an address. Mrs. McQuigg told of the Jubilee plans and presented the M. O. G. H. buttons. The French lullaby sung by Miss Darling, and the whistling Solo by Mrs. Bertha Fuller were greatly enjoyed. Pledges were given by the different auxiliaries for Miss Inez Mark's salary, to be paid in the next two months. The reports of the recording secretary and treasurer of the District were excellent. The Young People's meeting in the evening presented a fine program. Miss Emily Harvey, of India, Miss Grace Barstow of South America and Miss Evelyn Hadden, of India each attired in costume, made fine addresses. A splendid menu at the banquet, which all enjoyed, completed this day's program.
